Trade References

We do not believe that the trade reference system is sufficient as a quality monitoring system as it is so easily abused. We are happy to provide references on request, however if you have any concerns over our ability to supply you please do get in touch so that we can address your concerns.

For credit rating purposes please see our official Equifax rating at www.equifax.co.uk or Dun and Bradstreet (Number: 216960070)
