# **CUSTOMER INFORMATION ON QUALITY, HEALTH & SAFETY & ENVIRONMENT**

V2005/1

## **ISO9001:2000 QUALITY MANAGEMENT SYSTEM**

- Polybags achieved certification to the ISO9001:2000 standard in 2004 after previously being certified to the old ISO9002:1994 (formerly BS5750) standard since 1995.
- Using this standard we operate under a quality system where we look for continuous improvement, track Key Performance Indicators and keep all activities Customer focused.
- We are audited on a regular basis by the British Standards Institute
- Our certification reference is FM31516

## **MOD 93-116**

- Prior to formal British standards such as BS5750 above, the Ministry of Defence was the instigator of quality standards in a number of industries
- For polythene, the relevant MOD standard was 93-13 and Polybags was approved by the MOD under its contractor list number 19SP02
- Polybags still conforms to the standards required under the latest MOD revision of this standard 93-116 issued in March 2000

## **ROYAL WARRANT**

- Polybags was awarded the Royal Warrant in 1989 and has maintained the status ever since
- Whilst not a formal quality standard, we are proud of the award which is symptomatic of our desire to be the best supplier throughout the UK

## **HEALTH & SAFETY STATEMENT (Full Policy in Staff Manual)**

It is the policy of this Company to provide, so far as is reasonably practicable, the safest possible working conditions and practices relating to the health, safety and welfare of all its employees and for other persons who may be affected in so far as they come into contact with the Company.
